The ATOS Level noted in the Info / Details section about the book, corresponds to the Book Levels we use at school.

Your child will know what Book Level they are currently reading.

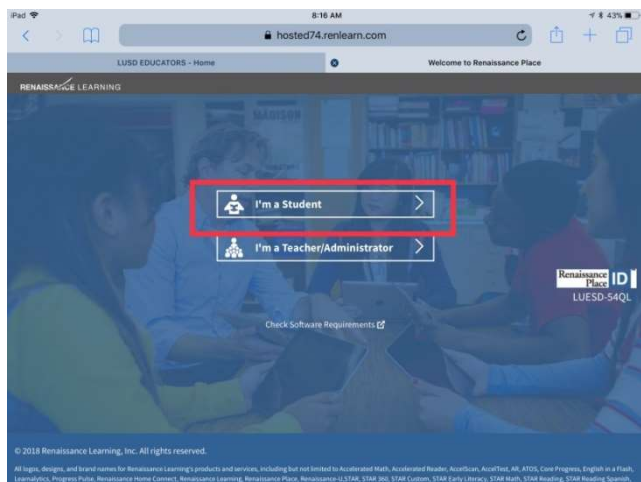

The AR Quiz number is also noted here, in the Info/Details section of the Book Search, so your child can access their AR Quiz as normal.

Book Quizzes

When needing to take a Book Quiz, you must access our school's AR website;

<https://ukhosted78.renlearn.co.uk/2239658>

Pupil Login:

Pupil Username and Pupil Password are the same ones your child uses in school.

> Click Accelerated Reader

> Find A Book (enter the book's Quiz No.)

> Take Quiz

If your child gains 80% or more in their AR Quiz, they are allowed to move up a sub-level (2.4 > 2.5), if not, they must chose a different book at the same level.

Additionally, if your child would like to read a home book or series that does not fit the levelling sequence but would still like to take the quiz, you can access;

<https://www.arbookfind.co.uk/default.aspx?client=HomeConnectUK>

to find out the AR Quiz Number and Book Level (BL).
